

MECHANIC II TOWN OF MERRIMACK

The Town of Merrimack is accepting applications for the full-time position of Mechanic II for Public Works Department – Equipment Maintenance Division. Employee performs highly skilled tasks at master level in the maintenance and repair of automobiles, police cruisers, heavy-duty trucks, fire equipment, heavy construction equipment, emergency vehicles, tractors, and small engines.

Applicants must hold a diploma from high school and three years of progressive experience as a mechanic or equivalent experience. A valid commercial drivers license (CDL-B with Air Brake and Tank Endorsement) is required. Additional details and requirements can be viewed in the job description at www.merrimacknh.gov/positionopenings.

The normal work schedule is Monday through Friday, 7:00am to 3:00pm. Employees in this position must be available to work overtime hours and be available for emergency call-in when necessary, especially during the winter months. Starting wage range is \$18.91-20.78 /hour. Benefits include health insurance (currently HMO plan with \$20 Office co-pay and employee 10% premium cost share), employer paid short-term disability insurance and life insurance, participation in the New Hampshire Retirement System, as well as, sick, vacation, and personal leave.

A completed Town of Merrimack application must be submitted to Sharon Marunicz at the Town of Merrimack, 6 Baboosic Lake Road, Merrimack, NH 03054 by 4:00 pm Friday, April 3, 2015. No email please. EOE
